# PROTEIN OFFER

## Something about us...

Prote.in restaurant is the avant-garde of today. Our vision in creating the menu is **CLEAN NUTRITION**. This is not a diet, but a change of approach to yourself and your body. A balanced ratio of micro and macronutrients that suits your metabolism. We provide everyone with a safe environment, a place where you should not think about the quality of food. 90% of those who try us for the first time, visit our restaurant again!
